SANTA TO ARRIVE ON SATURDAY

Defense Alert Dec. 7th

Civil Defense Agencies To Test Antioch System

Citizens of Antioch will come under practice alert next Wednesday in connection with National Civil Defense program exercises. In announcing the alert, part of a nation-wide program to stress vigilance and preparedness, John L. Horan, local civil defense director, reported the following warning signals:

Long blasts from the Antioch Rescue Squad siren as an initial warning, followed by a wait of 15 minutes. At this time, a warbling sound of the siren is a signal for everyone to take cover.

Time of the alert was not announced.

Horan attended a meeting of county directors Monday at which time all were briefed on the Dec. 7 alert. Identical signals will be used throughout Lake County, it was disclosed.

Dec. 7 has been designated National Civil Defense Day and will be marked by similar alerts throughout the country.

The 10th anniversary of Pearl Harbor, Dec. 7, will mark a significant milestone in American preparedness. In 1941, the air attack warning system consisted of five mobile radar sets with a limit of detection extending about 130 miles. There was no liaison between civil and military authorities. No air attack was in operation; there was no public information media on defense. Warning time between moments of attack and first widespread public warning was approximately 50 minutes.

This December, the entire continent is ringed by thousands of miles of radar nets and continuous air patrols that extend our detection system around the earth. These detection outposts are linked directly to civil defense warning units, tied by NAVAS warning points by dependable communications. All are manned by experienced personnel. An approaching attack, signaled

by an alert such as will be sounded in Antioch next Wednesday, would trigger a nation-wide alert from North American Air Defense headquarters, activating the civil defense emergency broadcast system of nearly 2,000 radio stations.

All public information media would be utilized with a maximum warning time of 90 seconds or less to every state.

All residents are urged to participate in Antioch's practice alert, Dec. 7.

Henry Herman, 91, Dies; Life-Long Residents of Antioch

Henry Herman, at 91, among the oldest of Antioch's natives, died Tuesday evening in Victory Memorial Hospital, Waukegan, after a six-month illness.

Born Feb. 19, 1869, in Antioch Township, Mr. Herman had resided here all his life and made his home on North Ave. at the time of his death. He built Herman's buffet at the turn of the century and operated this restaurant until the early '30's. A retired farmer, Mr. Herman had developed a large herd of purebred Guernseys, now being handled by his son, James Herman, Antioch.

Besides James, survivors include a daughter, Mrs. Mary (Ernest) Quedenfeld, Waukegan, nine grandchildren and two great-grandchildren. Ada, his wife, died March 20, 1946, and a son, Albert L., died Feb. 7, 1959.

Services will be held at 1:30 Friday from the Strang Funeral Home, Antioch, with the Rev. Edmond Hood, St. Ignace's Episcopal Church, officiating. Interment will be in Liberty cemetery.

Friends may call at the funeral home after 1:30 p.m. Thursday.

Combined Chorus To Present Yule Concert Sunday

The Antioch Township High School choir in conjunction with adult singers from the high school community will present a Christmas concert Sunday, Dec. 4, at 4 p.m. in the high school auditorium.

The high school choir will present the first half of the concert which will feature standard and traditional Christmas anthems and carols. During the second half of the concert the members of the junior and senior high school choirs will be joined by adults from the community to present Handel's Christmas Oratorio "The Messiah." Solists for this famous vocal masterpiece by George Frederick Handel will be Mrs. Ingeborg Wieghart, soprano; Miss Joan Cervenka, contralto; and Stuart Good, bass. Mrs. Margaret Aschenbrenner, Cheryl Folbrich and Randall McConahey will be the accompanists.

The concert will be under the direction of Ken Smouse, vocal director from the high school music department.

A reception for performers and friends will be held following the performance. There will be no admission charged for the concert, however, a free will offering will be accepted to help defray expenses.

Antioch Sales Tax Rebate \$4,859.39

Antioch's share of state rebates under the municipal retailer's occupational tax act amounted to \$4,859.39 for the month of August, according to the state department of revenue.

Other municipalities in the area and tax rebates collected are: Grayslake, \$3,512.82; Lake Villa, \$1,269.63; Round Lake, \$2,555.30; Fox Lake, \$4,606.10.

'Operation Santa Claus' Underway As Moose Spot Collection Points

Six collection points have been set up in Antioch for deposit of toys for needy children in the Moose Lodge's annual "Operation Santa Claus" campaign to make this a "joyful" Christmas for youngsters in the area.

Collection containers will be spotted in the following locations on Monday, according to Robert Avery, chairman of Moose civic affairs committee:

IGA Foodliner, Rts. 59 and 173; Art's Paint Store, 406 Lake St.; Lyons-Ryan Ford Sales, 939 Main St.; Town for Men and Boys, 907 Main St.; Antioch Moose Lodge, 868 Main St.; and Merry-Go-Round Bakery, 402 Lake St.

Avery stressed that it is not necessary that toys be new. In the case of used toys, they should be undamaged and in workable and presentable condition, he reported.

"We regret that time will not permit the repair or rejuvenation of used toys," Avery said, "so, therefore, used toys donated must be in good condition."

Moose committee will obtain a list of needy children in the area, from hospitals, local agencies, offi-

cials, or members of the family. Toys collected will be delivered on Christmas eve by members of the Moose Lodge.

Members of the Moose civic affairs committee working with Avery in the campaign are Arthur Andersen, Lester Nelson, Lester Palmer and Jack Rohde.

Local Moose are cooperating with all lodges in this country and Canada in this "Toys for Tots" campaign.

1700 Preview Christmas at Annual Fair

Between 1700 and 1800 residents and visitors converged on the high school gymnasium last Sunday to make the annual Lion's Club sponsored Christmas Fair the most successful in the city's history.

The event, a preview of Christmas merchandising efforts by local merchants and enhanced by exhibits of cooperating civic groups, included serving of a pancake supper during its 8-hour run from 2 - 10 p.m. Displays at the 27 sponsoring exhibits ranged from housewares through appliances, foodstuffs to Christmas cards.

An unofficial poll of fair visitors ranked the booths of the Antioch Woman's Club and the Lions Club as among the most unique and interesting. Featured by the Woman's Club were Christmas decorations, candies, handmade articles and cookies.

The Lions Club exhibit was calculated to generate interest in the forthcoming "Civil War Centennial Year" in 1961, and featured Civil War relics including personal gear of soldiers of that period, sidearms, uniforms and relics.

Civil War buffs, and they were many, thronged this exhibit. Educational exhibits included the handling of ceramics, detection of counterfeit from standard currency and plant culture.

High in interest was a closed-circuit TV installation by Petersen's TV on which viewers saw themselves on television.

Some 450 fair visitors took advantage of the Aunt Jemima pancake supper served in the evening concurrently with the fair.

Entertainment was provided by William Lahti at the organ and a magician's act.

Those exhibiting at the fair were: Antioch Woman's Club, Wilton Electric, Barnstable & Brogan, First National Bank, Illinois Bell, Record Nook, State Bank of Antioch, Mari-Anne's, Art's Paint Store, Town for Men and Boys, Floral Acres, Sequoit Harbor, Art Club, Lions Club, Antioch Packing Co., Modern Living, Osmond Insurance Service, Antioch Lumber, Klass Men's Store, Antioch Savings & Loan, Shoes by George, Lasco's Greenhouse, Western Tire, Keulman's Jewelry, Lor-A-Lyn, Lakes Co., and Petersen's TV.

'Made Human Torch' Man Tells Police

LAKE VILLA—Arthur Evans, 23, was doused with gasoline and set afire, late last Sunday, according to his report to police.

Evans, picked up in Grayslake about 1:45 a.m. Sunday, reported a man squirted flaming gasoline on him after giving him a lift from near Volo. He said the incident occurred between 9-10 p.m. on Rt. 120 at Cedar Lake Rd., where he was let out of the car.

'23 Flivver to Bring Old Gent Back to Town

Santa Claus is coming to town. That old purveyor of gladsome things for all, be they young or old, will make his first appearance of the year in Antioch, Saturday, at 10:30 a.m.

Through arrangements with the Antioch Chamber of Commerce, old Saint Nick is taking no chances of being soaked in by bad weather, so is leaving the helicopter and flying sleigh behind for something that will fill old-timers with nostalgia—a 1923 flivver.

Santa will make his first appearance at the high school where he will join the official escort proceeding west on 173 to Naber's corner, east on Lake to Main, then north to Orchard and west to the Rescue squad building.

Arrangements were being made at this writing with collectors of vintage automobiles to have them join in and make this a real old-fashioned flivver parade. Whether enough car buffs could be persuaded to take their ancient cars down off the blocks in time for Saturday's festivities is another matter.

And jovial old Santa won't arrive empty handed, according to the Chamber of Commerce. He'll be laden with more than 1,000 boxes of old fashioned hard candies to distribute to the youngsters from his headquarters at the Rescue Squad building, where he will hold forth until 5 p.m.

The business section of Antioch will be in holiday dress for the occasion with street decorations in place consisting of candy-striped poles, and Santa faces and old fashioned English lanterns centered in five-foot wreaths.

As Santa's arrival officially opens the Christmas season in Antioch, various merchants will remain open evenings, starting Dec. 5.

Two Wounded in Hunting Mishaps

John Mehlhorn, 28, Rt. 4, Antioch, suffered pellet wounds in head, eye and hand, in a hunting accident at approximately 3:30 p.m. last Friday near the Lasco farm on North Ave., Antioch.

The Antioch Rescue Squad answered the call. Mehlhorn was attended by Dr. James Kopriwa and taken to Victory Memorial Hospital, Waukegan.

Mehlhorn was hunting with Norman E. Heyne, 49, of Antioch and Charles Anxier, 47.

Heyne said they were hunting pheasant and he fired his shotgun while blinded by the sun and part of the charge hit Mehlhorn.

Richard Penachid, 26, of Melrose Park, Ill., accidentally shot himself in the right ear and thumb while hunting near Smith's Resort at Grass Lake Monday afternoon.

According to the Antioch Rescue Squad, who answered the call at 2:30 p.m., Penachid said he was crawling out of a blind when the accident occurred. He had grasped his shotgun by the barrel, and was dragging it behind him when it fired.

Penachid was taken to Victory Memorial Hospital, Waukegan.

Set Hearing on Wilmot Secession

WILMOT, Wis. — A public hearing on the proposed secession of a portion of Wilmot High School District — which has been labeled a threat to the entire school system of Kenosha County — has been set for Monday, Dec. 12, at 8 p.m. in Genoa City Elementary School.

Mrs. Margaret Gustafson, Kenosha County superintendent of schools, this week urged county residents to attend the hearing and speak up against the secession, which would remove \$6¼ million from the Kenosha County high school tax base and place it in Walworth County.

"The whole future of the county school system is involved," said Mrs. Gustafson. "The county line has always been a logical boundary for a high school district, and we want to keep that Wilmot district land in Kenosha County."

"We need every bit of territory available now, because there won't be any more," Mrs. Gustafson continued. "The school system can only be as good as its tax base, and the

Scouts Top Goal in Annual Fund Drive

LAKE VILLA—Backed by community and business support, Lake Villa Cubs, Boy and Explorer Scouts, went over the top in their annual fund drive, Scout Chairman Joseph Botts revealed.

Checks and pledges totaling \$600.91 were turned over to Council treasurer L. D. Langdon earlier this week by Botts, who acted as audit chairman for the drive. This amount was contributed and pledged by families, businesses and Scout parents from Lake Villa proper.

In reporting the successful fund drive, Botts credited the community for understanding and backing the needs of its young men and praised the fund committee and Scout workers for their efforts.

\$3,000 Blaze Hits Club at Loon Lake

The Tarfu Club of Loon Lake suffered some \$3,000 damages from fire which broke out in a south gable of the frame structure at 1:30 p.m. Monday.

The Antioch Volunteer Fire Department again demonstrated why it is considered one of the finest crews in Northern Illinois, by arriving on the scene four minutes after alarms were sounded.

Two engines from Lake Villa assisted Antioch firemen in quelling the blaze within a few minutes. The Lake Villa department was summoned as a precautionary measure because of the danger potential of the frame structure.

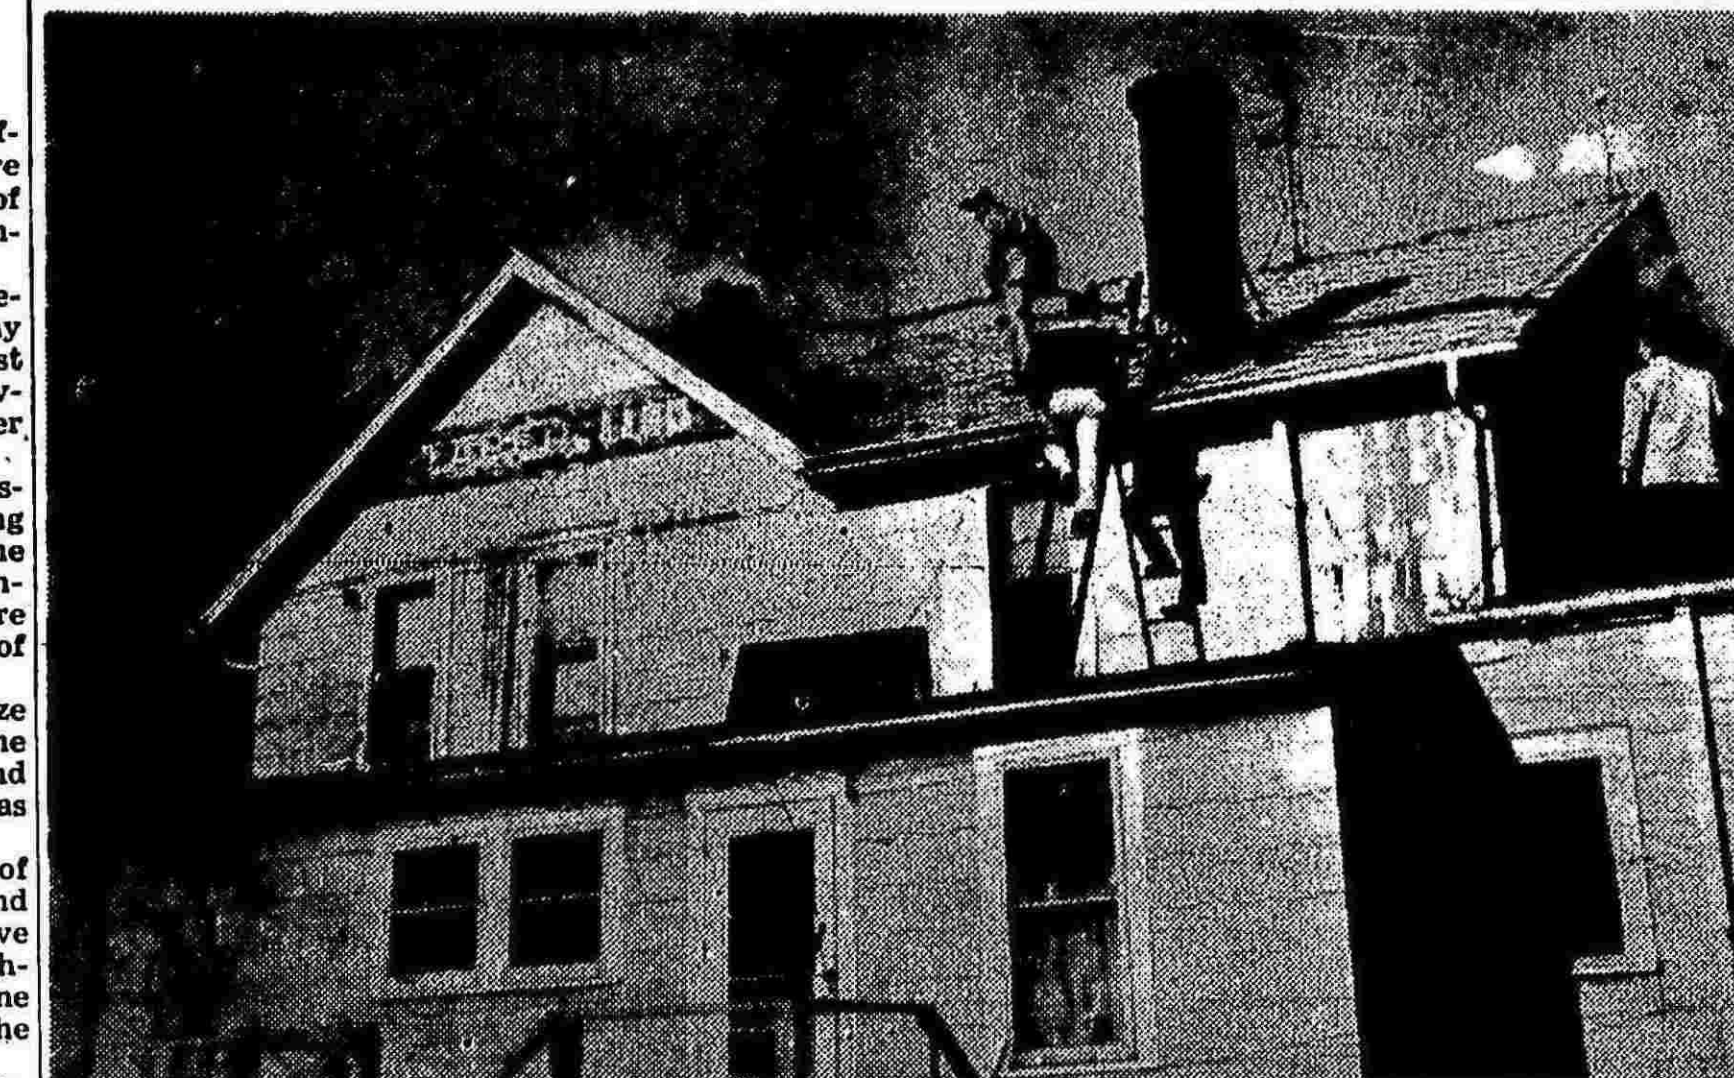

According to reports, the blaze started from the neon sign on the south side of the structure, and spread to the attic. Fire damage was confined to the immediate area.

Mrs. Stephanie Wolf, manager of the tavern, who lives in a second floor apartment, revealed extensive water damage to household furnishings. Only minor damage was done to a barber shop and tavern on the first floor.

The club is located on the southeast corner of Highway 21 and Loon Lake Rd.

SOME 1700 residents viewed exhibits at the annual Christmas Fair and pancake dinner last Sunday at the High school. Shown here are but a few of those who obtained a preview of Christmas in Antioch during the afternoon and evening showings.

ANTIOCH'S VOLUNTEER firemen lost little time in quenching a \$3,000 blaze at the Tarfu Club, Loon Lake, last Monday. On the scene four minutes after the first alarm, firemen clamber to the roof to extinguish flames.

DEAR READER News Editorials

Civil Defense in Lake County

Nineteen years ago next Wednesday, Dec. 7, the Japanese attack on Pearl Harbor caused all Americans to realize "it can happen here."

Dec. 7 next week will mark the third annual National Civil Defense Day, dedicated to the conviction that vigilance must be maintained night and day because of potential threats. Against such threats our nation's vast warning net is designed to be so reliable that an enemy could not achieve a surprise attack.

Residents of Antioch and surrounding area will have an opportunity to view a portion of the civil defense mechanism in Lake County next week at a public exhibit at Lake Forest College field-house, Dec. 7-11.

Veterans of World War II, who tramped the destroyed villages in Europe and the Far East, know at first hand the devastation of unpreparedness. Theirs is the task to underscore the efforts now being made by official agencies to impress upon all the necessity for and seriousness of civil defense measures.

Be Ye of Good Cheer

As so often happens amongst good friends who are loathe to part, citizens bid a sad adieu earlier this week to the balmy spring zephyrs that have made this fall the loveliest since man's memory runneth not to the contrary.

With the arrival of arctic air here, the temperature began its decline Monday from a high in the lower '60's at mid-day to a gusty low of 25 by darkness, heralding the first full blown snow flurries of this season, that hastened in early Tuesday.

Brightest spot in the picture, as always seems the case, were the youngsters, who with collars open and skirts flying, played court with pneumonia in anticipating the happy days of snowballing and ice skating just around the corner.

Merchants, too, had a gleam in their eyes as they saw the coming of winter as a stimulant to holiday buying.

As for us oldsters, we needs must be content to reluctantly breaking out the "long Johns" and burrowing deeper into our collars.

But be of good cheer. Spring is but 112 days hence.

Just 24 More Days to Go

Amid the usual rumblings of "Here we go again" from the older folk, the Christmas buying season got off to a hopeful, colorful start last weekend and will, it appears, continue at a rather hectic pace the remaining 24 days until that great day arrives.

We've never believed those plaintiffs who are the first to cry "Why do they start so early?" because we've often observed same, kids in tow, eagerly drinking in the first signs of Christmas in store and window and enjoying them as much as the youngsters.

Such was the case last weekend when the passing of Thanksgiving marked the official opening of the Yule shopping season.

While local merchants are agreed that the unseasonably balmy weather may temporarily curb the eager Yule shopper who seems to thrive best in winter's snow and cold, they are nonetheless preparing for a peak gift season, as witness the bulging shelves and showcases throughout the town.

Which reminds us: the wise shopper shops at the stores he knows best, with those who assure him of satisfaction and service. The wise shopper shops in his hometown.

Courthouse Notebook—

BY LOU DURKIN

Next Monday will see the installation of the five county officials who were elected in the Nov. 8 election and the occasion will mark the official installation of the first woman official in the history of Lake County.

Stephanie Pucin Sulthain became the first elected lady county official on Nov. 8 when she won election to the office of Clerk of the Circuit Court.

Of course, she has held the office since Jan. 1 when she was appointed to fill the vacancy created by the resignation of L. J. (Dean) Wilmut, but now she has the satisfaction of knowing that her appointment by the three judges of the 19th Judicial Circuit has been approved by the voters of Lake County.

It is unlikely that she will achieve the record of longevity hung up by her former boss and tutor, but it's a good bet that she will prove an able administrator.

Another of the old guard at the courthouse will close out a long career of public service on Monday when John Darrow moves into the office of the County Auditor to succeed Robert J. Pearsall.

Pearsall completes 28 years of service as county auditor on Monday and then heads for California to join his daughter and her family for a brief stay.

Pearsall's career as a public servant extends beyond his tenure as auditor since he also served the City of Waukegan as commissioner of public works before joining the county official family.

Robert H. Babcock, the youngest elected official in Lake County history, will be taking his oath of office for the third time while State's Attorney Bruno W. Stanczak will be taking his oath for the first full term.

Rounding out the group will be Frank J. Nustra, who was appointed to the office a year ago by the County Board of Supervisors and then won full title to the post by winning the election.

Now that the county election is over the political spotlight is shifting to the Justice of the Peace election and the party caucuses which will be called to select candidates for the regional posts.

We fail to see how the caucus method of selecting jp candidates and the election of the justices on party tickets is going to remove them from politics, but then it isn't always easy to follow the reasoning of the state legislature.

And speaking of the legislature, it is rumored that State Rep. W. J. Murphy, of Antioch, is in the running for Republican Whip in the House.

Murphy served as assistant whip during the last session of the Illinois General Assembly and has many friends among his fellow GOP legislators. The job isn't quite as important now with a Democratic administration, but perhaps Murphy can manage to salvage something for Lake County from the election debacle.

There has been considerable Republican interest focused on the Waukegan mayoralty race coming up in the spring because the GOP would like to have the city hall post as an anchor for the party in Lake County.

At the present time Harry Kilbane, Waukegan businessman, is the only announced Republican candidate and it looks like he will be unopposed in the primary.

Waukegan Supervisor August Cepon has been mentioned as a possible candidate, but it is unlikely he will give up his seat on the county board and the county building commission until his dream of a new courthouse for Lake County is realized.

Lindenhurst 4-H'ers Honored At Achievement Day Ceremony

By Mrs. Bernice Bernau
ELI 6-5449

LINDENHURST — The Lindenhurst Daisies, Seniors and Junior group brought honors to our community when the 4-H Clubs gathered at the Lake County Farm Bureau building in Grayslake Nov. 18, at the 4-H Achievement Day program that night.

Sandra Hertel, Barbara Warchol and Pat Loblillo were county project winners. Loren Lee Lewis was a county and state winner.

Carolyn Westberg was county, state and outstanding county winner. She also won the "I Dare You" book award and was chosen to go to leadership camp at Monticello, Ill., next year. The award is given by the Dunford Foundation.

Mrs. Andrew (Edith) Westberg of Woodlane Drive is the leader of both groups.

The "Night-Owls" met at Mrs. Helen Mindak's home on Hawthorne Dr., last Friday evening. Proving they were the best canasta players Betty Janega won a tile ash tray, Pat Vrba, glasses in a container and Dolores Poviliatis, a red and white sewing basket.

The others playing were Georgia Sutherland, Pat Schartz, Ing Speigler, Bert Harceg, Ellen Harsh and Mel Uebele.

Planning a grab bag for their Christmas meeting, each drew a name for gift giving.

Helping Randy Maxwell of Fairfield Rd. celebrate his 8th birthday Nov. 7 with a party on the 19th were Tommy Schultz, Tommy Gilliland, Jim and Jerry Jakob, and the Round-out guests Mrs. Jacob Keulen and Ricky and Lu Ann Keulin, Mrs. Ervin Hockhalter and Betty, Diane and Judy Hockhalter. From Fox Lake were Mr. and Mrs. Roy E. Palmer.

Randy is the son of Henry and Martha Maxwell. They also have two other children, Donna, 11, and Charles, 17.

The family spent Thanksgiving Day with their friends Mr. and Mrs. Leonard Brouwers in Sturtevant, Wis.

Bradford Kleban of Longmeadow Dr., celebrated his first birthday Nov. 24, Thanksgiving Day. At the festive family celebration were his maternal grandmother, Mrs. Sophie White, who lives with the Klebans, and Mrs. Ann Kleban of Chicago, his paternal grandmother. Bradford is the son of Bud (Barry) and Phyllis. They also have a son, Mitchell, 3 years.

Most people have just one cake for their anniversary, but Vivian Fidanzo wanted to surprise husband Mike with a large whipped cream cake decorated to read "To My Darling on our Anniversary," so she ordered one from Slove's Bakery. Mike had the same sentimental idea. Two different sales girls took the orders and the two-cake order for the same household wasn't discovered until daughter Mickey went to pick them up Wednesday.

Having a full share of cake as a result were friends John and Rae Gibbons, Fred and Esther LaChance, George and Ann Lance and John and Grace Slove, who came over in the evening.

Mr. and Mrs. George (Ann) Lance and their daughter, Linda, of Sprucewood Lane spent Thanksgiving Day at the home of George's mother, Mrs. Delphine Lance, in Chicago. This also was Mrs. Lance's 61st birthday, and to celebrate the occasion she invited the staff of auditors and cashiers who work under her at the LaSalle Hotel to have dinner with her family.

Other members of the Lance family were her son, Eugene, his wife and four children from Melrose Park, and her daughter, Mrs. Della Nichols, and husband Fred.

This was the first time in seven years that they had all been together. Mrs. Lance's son, Darro, stationed in Germany, and Gregory in service in California, and her daughter, Mrs. William (Maxine) Gunnell, who lives in Arkansas, weren't able to make it home.

Twenty-one people attended the dinner prepared by Mrs. Lance, and served on three different tables.

The Lindenhurst Garden Club will not have a December meeting. A work shop will be held. Date will be announced later.

The Altar and Rosary Society of Prince of Peace Church will receive Holy Communion in a body at the 8 o'clock mass Sunday. Their meeting will be held Dec. 7 at 8 p.m. in the church.

All members are asked to bring a \$1 item to be exchanged with other members. Since this will be a Christmas Party, Christmas carols will be sung. Refreshments will be served.

Mrs. Loretta Warchol is president of the group.

The Lindenhurst Junior Police Club will meet next Tuesday at 7 p.m. at the Lindenhurst Men's club house on Grand Avenue. No new members are being accepted at the present time. Membership cards must be shown to gain admittance.

Mr. and Mrs. Gus (Marge) Fabry

on Fairfield Road were happy to have their son, Fred, home for the Thanksgiving holidays. Fred is a graduate of Antioch High School and attends Cornell College at Mount Vernon, Iowa. He arrived home Wednesday evening and left on Sunday.

Mr. and Mrs. George (Helen) Skelton of Fairfield Rd. took a week off and visited friends in Evansville, Ind., her parents, Mr. and Mrs. Arch Wood, in Eldorado, Ill., for the Thanksgiving holidays and on Sunday visited her aunt and uncle, Mr. and Mrs. Earl Wood in Gary, Ind. Mrs. Skelton's father is assistant county supervisor.

Four-year-old Keith, son of Mr. and Mrs. Clarence (Lorraine) Haznedl, on Pinecrest Lane, was a patient at St. Therese Hospital from Tuesday until Sunday.

The Lake Villa Rescue Squad made two trips in less than two hours to the Haznedl home when Keith was taken ill with convulsions. Dr. Joseph Tauchas had him admitted for various tests to find out the cause of the attacks.

Five-year-old Frank Loblillo of Countryside Lane had a tonsillectomy last Friday morning. He was released on Saturday.

Also a patient at St. Therese hospital at the same time, was his six-month-old brother, Gary. He was confined from Tuesday until Sunday.

The boys are the sons of Sam and Mary Loblillo.

Master Sergeant Chester Fee and his wife Eleanor of Hillcrest Lane are new residents in Lindenhurst. They moved into their new home Sept. 1.

They have been married 13½ years and have a son Gary, 11, who plays the cornet in the Senior band at the Lake Villa school.

M/Sgt. Fee is retiring from the army Nov. 30, after having served for 20 years. He has been stationed with Fifth Army Headquarters in Chicago, and will work for the post office in Waukegan.

Chester met Eleanor while he was in service in Germany in 1946 to 1949, and she in civil service. They were married there in 1947. They lived at the Fort Sheridan Post for four years.

He is originally from Lingle, Wyo. Eleanor's home was originally Richland Center, Wis.

They had Thanksgiving dinner at Fort Sheridan at Army mess with their friends.

Channel Lake News in Brief

By Mrs. Pearl Kapell

CHANNEL LAKE—James Anthony Gutowski, 4-week-old son of Joe and Louise Gutowski, was christened at St. Peter's church last Sunday. Jim Portalski is godfather to little James and Dolores Nazick, godmother. About 35 of the Gutowski family and friends were entertained at the Gutowski home after the christening. James Anthony ignored his well-wishers, but his big brother and sister, Jeff Allen and Julie Ann, enjoyed the festivities tremendously.

Mr. and Mrs. Ed Baumann, Lake Avenue, flew to Waverly, Iowa, on Thursday to have Thanksgiving dinner with the Hank Youngquists. When it was time for them to return home Sunday, the weather had them "socked in." So they had to drive the Youngquist car home.

Living Costs Sear

Living costs rose four-tenths of one per cent last month to hit another peak, bringing the month's cost of living 1.4 per cent higher than October 1959.

Nearly half of the increase was attributed to higher food prices but practically all elements of consumer expenditures advanced.

The October increase was the largest since April and marked the eighth month prices have increased this year.

Attend County Defense Exhibit And You May Win Fallout Shelter

Residents of Antioch and all other communities in Lake County have been extended an invitation by the Lake Forest Civil Defense Directors to attend the official opening of their fallout exhibit on Wednesday, Dec. 7 at 8 p.m. Prominent government and military officials will attend the opening which is geared for National Civil Defense Day. The exhibit will run from the evening of Dec. 7 through Sunday, Dec. 11 in the Lake Forest College Fieldhouse.

Lake Forest, which has been working closely with the Lake County Civil Defense program, plans to show the various types of shelters available, show interesting Civil Defense movies, make informative literature available and highlight the entire program with speakers who will instruct on the vital importance of National Civil Defense. The Lake Forest High School band will participate in the official opening.

A unique opportunity for everyone attending the exhibit will be the chance for someone to win a free fallout shelter constructed in the basement of their home. Those wishing to participate must register during the time of the exhibit. The

fallout shelter will contain the minimum requirements for a family of six and will be constructed under normal building conditions. Should the winner be without a basement or normal conditions for construction, he may designate some relative, neighbor or friend within Lake County to be provided with the shelter. The drawing will take place after the exhibit.

According to Richard Willer, county civil defense director, this concerted effort will provide the people of Lake County with an unusual opportunity to learn about Civil Defense and its importance to the strength of America.

loss of this huge amount would be a crippling blow."

Mrs. Gustafson pointed out that the land is especially needed in view of plans not too distant to form kindergarten through 12th grade districts in Kenosha County. Removal of the land would be a stumbling block to any such plan in the Wilmot District.

Date for the public hearing was set Monday at a meeting of the Kenosha County and Walworth County school committees.

After the hearing, the two school committees will meet with the boards of both Badger and Wilmot high schools before making their decision. Only the school committees can vote on this decision.

If the school committees approve the secession move, their decision can be subject to a referendum, at which only Badger High School district and residents of the seceding territory can vote. If their decision is against the secession, the matter can be appealed in Circuit Court.

Mrs. Gustafson is also secretary of the Kenosha County school committee and secretary of the joint committees discussing the secession proposal.

The territory in question is in the western part of Randall Township, where residents have asked to be removed from the Wilmot District and annexed to the Badger High School District.

The territory comprises about one-seventh the valuation of Wilmot District. About 17 Wilmot students reside in the area.

The Wilmot High School Board and Wilmot High School PTA are actively opposing the secession move, and are calling for suggestions and help from district residents to save this vital portion of the district's tax base.

Silver Lake Plans Ice Fishing Derby

SILVER LAKE, Wis. — One of the most popular, crowd-luring events of the winter season, the Ice Fishing Derby, is tentatively scheduled at Silver Lake for the third straight year.

The Kenosha County Conservation Club and the Silver Lake Chamber of Commerce are making tentative plans for the event on Silver Lake in January.

Art Derokum, president of the Silver Lake Chamber of Commerce, said that some improvements are being mapped for this year, including better parking facilities and more convenient tent locations.

Last year's Ice Derby drew crowds of 10,000 to 15,000 from throughout Kenosha County.

As in the past, prizes will be awarded for various types of fish, and in women's and children's divisions.

Tents set up on the lake offer refreshments, booths for enrolling in the conservation club, and displays of prizes to be awarded.

Among the guests attending last year's derby was Theodore (Ted) Kennedy, brother of President-elect John F. Kennedy, who spoke briefly to the crowd.

Another feature of last year's derby was the Go-Kart races, which attracted big crowds of spectators.

Silver Lake Sets Year's Budget At \$54,170.00

SILVER LAKE, Wis. — Silver Lake's proposed budget for 1961—which calls for total expenditures only \$600 higher than last year's—will be taken up by the Village Board at a meeting Tuesday night.

The proposed budget, which was the subject of a public hearing in village hall last Tuesday, is posted in four locations in the village: at the Post Office, Carl's Store, the Silver Lake Barber Shop and Williams Store.

Total expense budget for 1961 is \$54,170, compared to \$53,510 last year and \$34,770 in 1959.

Funds available from normal village incomes are pegged at \$47,723.41, with the balance of \$6,446.59 to be raised by a proposed tax levy.

Total mill rate for 1961 would be .00816703, including the operating levy rate of .00476551 and the bond levy rate of .00340152.

Everything stays clean twice as long in a flameless electric kitchen

There's no flame to create dirt that smudges walls or ceilings. A clean-cooking electric range cooks without soiling, keeps your kitchen clean about twice as long. Result: you spend half as much time and money on washing and decorating. **Heats food—not you.** A flameless electric range transfers heat to the pan and

directly into foods—not your kitchen. The oven is insulated on all six sides (not just five). Hardly any heat escapes. Your kitchen stays at least ten degrees cooler.

When you build, buy an appliance, or remodel your kitchen, keep in mind the clean, fume-free cooking you get in a flameless electric range.

Warns Bogus Check Passers Busiest Now

Local merchants have been cautioned by the FBI to be on the lookout for passers of bad checks during the approaching holiday season.

In his warning, FBI director J. Edgar Hoover points out that the check-passers take advantage of seasonal gaiety and the new or temporary clerk in bilking businessmen of millions of dollars annually. When cashing a check, the clerk or businessman should require proper identification, it was pointed out.

Victims of bad-check passing should report this fact immediately, the FBI director advises. Neglect to report such circumstances encourages the criminal to bilk other people and delays investigation, it was pointed out.

Until persons begin enforcing a strict code for check cashing, the passer of bad checks will continue to operate on a growing scale. Although local merchants have

not been victimized extensively in the past, bad check passing is a growing problem in other sections of the country.

As chairman of the services, Mrs.

Central High Vote Dec. 12

PADDOCK LAKE, Wis.—A spe-
cial meeting of electors of the Cen-
tral High School district has been
called for Monday, Dec. 12, at 8 p. m.
in Salem Central High School to
vote on a proposed building addi-
tion and the method of financing it.
Qualified electors of the district
comprise the towns of Brighton,
Bristol, Paris, Salem, Wheatland,
Pleasant Prairie and Somers.

The board has proposed a four-or
five-room addition to the west end
of the present building, pointing out
that "it is essential to have more
classrooms available by Sept. 1,
1961."

Anticipated enrollment at the
school will soar each year through
1968, a board survey has shown.
Enrollment is now 607. Two hun-
dred freshmen are due in Septem-
ber, offsetting the graduating class
of 108 seniors.

Board members said additional
room is urgently needed by the
science and business education de-
partments.

The proposed addition is designed
to blend with the existing building,
and the design lends itself to future
additions.

Sequoits Squeeze By Mooseheart 42 - 41

Open League Play Friday Against FL

Antioch's Sequoits headed off a last-ditch rally by Mooseheart cagers last Saturday to close out a thriller, 42-41, in what locals hope will be a continuation of last year's winning season.

Mooseheart moved ahead 11-8 in the first quarter, but Antioch stepped up its pace in the second by outscoring the home team 12-9 to make the half time score 20 all.

The Sequoits moved ahead by 2 points at the end of the third period, outscoring Mooseheart 10-8 during the frame to lead 30-28. Both teams were unable to find the basket with any consistency, although each stepped up scoring pace in the last quarter, with Mooseheart edging Antioch 13-12, for a final of 42-41, Antioch.

Although showing balance on occasions, as predicted by Coach Leon, Antioch needs plenty of work during the week if it hopes to get by Lake Forest and North Chicago this weekend.

Both Mooseheart and Antioch had trouble finding the hoop in last Saturday's opening. Mooseheart players banged away at the basket 54 times, but only hit on 14 occasions for a weak 25 per cent average. They were little better at the free-throw line, connecting for 13 of 25.

Antioch connected 20 times from the floor in 58 attempts, for a 34 per cent effort, but was weak on free throws, sinking but 2 of 9 charity shots.

Leading Antioch scoring was Les Herbst, one of the squad's six returning lettermen, who dumped in 9 field goals and the squad's lone 2 points via free throws, for high point honors at 20.

He was followed by Palenske, also working at guard, who scored 8 points on 4 baskets. Elliott's strong rebounding paid off for Antioch.

Myers, working at forward for Mooseheart, sank 6 from the field and 5 charity tosses for a total of 17 points, followed by Ballinger at center, who totaled 12 with 4 goals and 4 free tosses.

In summarizing Saturday's action, Coach Leon pinpointed the inconsistency of Sequoit defense, as "sometimes very good, other times just so-so, offense fair," and indicated that the squad has its work cut out in practice sessions this week.

In topping Mooseheart, Antioch fans will recall the close play that has marked meetings of the two schools in all of but two games over the past four years. Last year Antioch beat Mooseheart 65-50 in non-conference play and 68-40 in tournament play. Three earlier games were won by Antioch on one-point margins.

Coach Leon praised the officiating of Johnson and Hershmer, both of Litchfield, Ill., but revealed that the Sequoits were compelled to alter strategy midway through the game. While basketball in northern Illinois is marked by the "fast whistle" curbing personal contact, downstate is a bit freer in this field, allowing players more leeway in the matter of blocking and screening.

The Antioch Scouts made it three straight in Land O' Lakes semi-pro league play, last Sunday at Fox Lake, by taking Grayslake 91-55.

The Antioch quintet took an early lead in the first half and were never in trouble. Art Smejkal, off to his best start this season, plunked in 14 points as the Scouts outscored the Islanders 36 to 23.

In the second half Antioch uncorked a 55-point attack to outscore Grayslake by 23 points.

The Scouts had plenty of balanced scoring in their fourth win of five starts, with five players hitting double figures.

LeRoy Gallagher and Parker led second-half scoring for the Antioch with 12 and 11 points, respectively. Gallagher, Smejkal, Pregenzer and Christensen controlled the boards for the Scouts.

In the other two contests, Richmond outscored Round Lake 84-69, and Wauconda romped over Fox Lake 77-50.

Salem Downs Darien 70-51

SALEM, Wis.—Salem Central's Falcons made it two in a row by sailing past Delavan-Darien, 70-51, in a non-conference battle Saturday at Delavan.

Jumping off to a 16-8 first-quarter lead, the Falcons were never in danger thereafter. Outscoring Delavan 21-7 in the second quarter, the Falcons coasted to the short end of third quarter scoring 22-14 and bounced back to outscore Delavan 19-14 in the last quarter.

Scoring honors for Salem were captured by Westman with 6 buckets and 4 free throws, for a total of 16 points, followed by Yates, with 14 on 7 field goals, and Schultz with 4 goals and 4 free tosses for 12.

Delavan was paced by Hayes, who with 7 baskets and 8 charity tosses, took game honors with 22, followed by Wagner with 4 goals and 3 free throws for 11.

The win gave Salem 1 win-1 loss in non-conference play, while their 75-68 win over Clinton last week placed them in a 4-way tie with Big Foot, Union Grove and Willow Springs for honors in the South-eastern Conference.

Young Bowlers Match Adults, When Lad, 13, Tallies 601 Series

Younger bowlers are racking up scores that rival those of top adult keggers, judging from reports from local alleys.

Thirteen-year-old Bobby Lenczewski, high-scoring youngster in the Coca Cola Junior Bowling League, rang up a whopping 601 total last Saturday with games of 198, 212 and 191.

Mike Sterbenz, also a comer in the bowling department, will receive an emblem for his 176 game, and Carol Silianoff, also a Bantam, has an award coming for three consecutive games of identical scores.

Soph Cagers Show Promise In 41-35 Win

Antioch High School's sophomore cagers set a pace that was seconded by the varsity five in the season's curtain raiser last Saturday by downing the rangy Mooseheart squad in a close-fought game, 41-35.

Led by Kubicki, high point man with 19, the visiting Sequoits jumped to a first-quarter lead and were never headed, although Mooseheart threatened late in the third quarter when trailing by only two points, 30-28.

It was a nip and tuck battle all the way, with Kubicki's scoring and all-around defensive-offensive play sparked by the playmaking of Gruidl and Hallwas' rebounding.

Except for a lapse in the third quarter, when the Sequoits couldn't do "anything right," Coach Roger Andrews was pleased with the team's play and sees a lot of promise in the young squad. "We'll work out those third-quarter kinks before the weekend," Andrews predicted.
